2. New Share Price Takes Effect July 1

June is almost over! The share price is \$4,585 until the first of July. We just got our assessment from the county, and the land value has gone up a little, so the share price did too. New price is \$4691 and will remain so until July 1, 2018.

Despite any rate increases, the benefits shareholders enjoy do not change: Every year, for every share, shareholders get 10 days grounds fees, 24 meals, and 4 nights in a hotel room. The hotel room benefit can be used for an RV site, but then it's 8 nights - even better.

3. Independence Day Is Coming

We have a full weekend planned:

July 1 - Pickleball tournament and concert with Bruce Michael Miller:

Unique, emotional, powerful. A master songwriter and world class guitarist. Bruce's songs distill the human experience into four minute miracles of detail, molecules of emotion and visceral infectious guitar groove.

July 2 - Bocce tournament and "Glow in the Dark" parade

July 3 - Disk Golf and Hand and Foot

July 4 - Cardboard box regatta and evening fireworks

4. July 8 Full Moon Frolic

During the day, we'll celebrate the coming full moon with an ice cream social at 2 PM, plus a sidewalk chalk competition to be judged by all at the wine and cheese party. Water volleyball any time all day, and then at night a DJ Dance. In the lodge, 8-11 pm.

5. Summer Schedule

Pinochle every Wednesday at 7 PM.

Hand and Foot every day at 1:30 if we get at least 3 people.

We'd be happy to drive to hunt garnets. If that interests you, come talk with Mike or Margie about it.

During the Skin to the Wind Festival of Fun in July and the Western Naturist Gathering in August, we will have volleyball, shuffleboard, bocce, disk golf ping pong, horseshoes, pickleball, and water volleyball. Remember, you are free to gather everyone and play any of those games/sports at any time.

We have volunteers working on scheduling a golf day in St. Maries. More news when they check in.

6. Summer Concerts

Here's a rerun of the concerts and DJ dances scheduled after the July 1 concert we talked about above. We'll let you know about the other activities as they come up.

July 13: The Skin to the Wind Festival of Fun opens with David G. Smith. No, not the guy who sells cars, and not the president of AANR-NW! This Dave Smith really is a singer.

"...one killer track after another that might not fit into the ever narrowing dictates of radio but fitting well into the space between your ears." -Chris Spector/Midwest Record

July 14: James Lee Stanley returns to the Sun Meadow stage. "One of the best concerts to ever come to Sacramento. James Lee Stanley was a last minute substitute for Jimmy Webb. Like Garfunkel, Stanley sings melodic pop and the slightly risqué anecdotes he told put the crowd in a perfect mood for what was to come. A standing ovation followed his set and he will undoubtedly have fans to come back in Sacramento."-Mick Martin, The Sacramento Bee

July 15: The festival ends with a DJ Dance to cap off the weekend.

August 17: We'll start the Western Naturist Gathering with a concert by Blaze and Kelly Singer / songwriter Niccole Blaze and her bassist, Mo Kelly draw an audience with their compelling lyrics and angelic harmonies that audiences' say "open your heart and tear it apart at the same time." With influences ranging from Bonnie Raitt to the Indigo Girls, they are known for their comic banter both on and off the stage.

August 18: PK Gregory. Careening wildly around the alt-country and Americana genres like Hank Williams on a hot-rodded Vespa, PK Gregory's music is rooted in tradition, but with a kind of eclecticism and idiosyncratic storytelling bent that is decidedly modern. Described as "Johnny Cash meets John Prine, with a smattering of Townes Van Zant", fans of the great troubadour tradition will find much to like, but this is not an attempt at a purist revival by any stretch!"

August 19: Jen Hajj returns to the Sun Meadow stage for the final night of the Western Naturist Gathering. After schooling and a career working in a variety of scientific venues, she realized something was missing. She was not expressing herself musically. So she ran away to join the circus as a performing songwriter. She won the Tucson Folk Festival Song-

writer Competition in 2015. Jen lives in the tiny mountain town of Idyllwild, California, where the mayor is a golden retriever. She has been writing and performing for nearly a decade. She also manages the San Diego Bird Festival, kind of like Comic Con for birdwatchers.

September 1: We always celebrate Labor Day weekend with at least a DJ dance, and this time it will be with a concert as well. Flagship Romance will be returning to Sun Meadow to help us round out the summer season. Fluent, intense acoustic guitar playing; lyrics of life's peaks, troughs, mysteries and wonders; soaring, yearning vocals; tender, though oft-anthemetic melodies, and harmonies one could barely separate with a single human hair: this is the Flagship Romance sound.
